

Dear MR BADAVATH PAVAN NAYAK,

Greetings of the day!

Thank you for preferring Manipal Hospitals as your trusted healthcare partner.

Manipal Hospitals is the name synonym to clinical excellence, patient-centricity, and ethical practices. Our healthcare services are aligned towards providing you with personalized and comprehensive healthcare focusing prevention and overall wellness.

Our professional team of physicians, nurses, technicians, and support staff work with one goal to stay you healthy, always. To help you serve better, a helping hand from you is essential in meeting your healthcare requirements.

Here is how you can help,

- Please share all your current and past health issues with your physician as this history is crucial to plan your treatment. Do get your concerns clarified from our team. Stay connected with your doctor and the team.
- Strictly follow the treatment plan recommended by your physician. Your diet plays an important role in faster recovery, and overall wellbeing. Please follow the prescribed diet plan and always stay appropriately nourished through a balanced diet.
- Annual health check-ups are an important way to know about your health status. Please get it done if advised by your physician.
- It's been said that "Your critics are your best friends". Your feedback helps us improve on our services, please share it as and when you would like to.
- For any medication management related inquiries, an experienced clinical pharmacologist is available.

Please find enclosed here your visit notes and reports (If applicable)

- Physician report (Doctors Prescription)
- Dieticians notes (if applicable)
- Laboratory reports (if applicable)
- Radiology reports (if applicable)
- Other diagnostic reports (as applicable)
